jennifer@thetrend.com on Feb 12, 2016

It would be nice to have the ice maker in the right location. Even better if it gave the right part number.

vharding68@verizon.net on Mar 16, 2016

Doesn't matter where it is or the part number....There has been a bulletin on these ice makers since November of 2007 (Btw...it is superseded by another bulletin that is prior to that date).
