X-FACTOR

COIL CLEANER

VAPCO PART NO.

Part Number XFP-1 Size 8 oz 8/cs

DESCRIPTION

X-FACTOR is a professional strength detergent, specially formulated to tackle tough tasks. X-Factor destroys odors and the bacteria that cause them. It converts unsaturated fats and grease into cleaning agents.

FEATURES AND BENEFITS

- Heavy Duty
- Non-Acid
- Professional Strength
- Environmentally Friendly
- Destroys Odors
- Degreases and Disinfects
- No Rinsing Required

SPECIFICATIONS

Appearance: Off White Powder | **Odor:** No Distinct Odor | **Flammability:** Not considered a flammable solid by OSHA | **Vapor Pressure (mm Hg):** > 18 | **Vapor Density (AIR=1):** 1 | **Evaporation Rate:** < 0.8 (Slow) | **Specific Gravity (H2O=1):** 1.09 @ 77° F (25° C) | **Solubility in Water:** 100% | **Volatility Including Water (%):** < 5% | **Volatile Organic Compounds (VOC):** < 5%

LABEL INFORMATION

X-FACTOR is a uniquely formulated, professional strength, detergent that tackles tough tasks. Unlike old evaporator coil cleaners and electronic air filter cleaners, X-Factor uses more than just a complex blend of detergents for its cleaning power. The power of X destroys the odors and the bacteria that causes them. It converts unsaturated fats and grease into cleaning agents. Furthermore, X-Factor is completely biodegradable, non-rinsing and safe to use.

USE: Use on electronic air filters, evaporator coils, ventilation and exhaust systems, concrete floors, cooling towers, refrigerators, tools, etc. X-Factor may be applied full strength without damaging metals. For general purpose spray, wipe, mop or dip item to be cleaned.

DIRECTIONS: Read Material Safety Data Sheet and put on protective clothing before use. Turn unit off. Pour 1 gallon of water into sprayer. In a well ventilated area, add contents of 1 bag of X-Factor to sprayer. Close sprayer and shake to dissolve (1 to 2 minutes). Follow appropriate procedure below.

Evaporator Coils: Apply to the air intake side of the coil. If possible, fan should be operating. No rinsing required.

Condenser Coil: Rinse thoroughly after applying. **Electronic Air Filters:** Spray onto filter and fan. Be sure to wet all areas of the plate. Rinsing is recommended.

DANGERS: Read and understand the product's label and Safety Data Sheet. Causes skin and eye irritation, which may be severe. Vapors, spray, mist or dust can cause severe irritation to the nose, throat and lungs. This material liberates oxygen, which may intensify a fire.

CONTAINS

X-FACTOR CONTAINS (CAS#) : Sodium Percarbonate (15630-89-4)

Health	2
Flammability	0
Reactivity	0
Personal	B

First Aid Measures

Inhalation: Remove person to fresh air and keep comfortable for breathing.

Seek medical attention if you feel unwell.

Skin contact: Immediately wash with water for 15 minutes. Remove contaminated clothing and shoes immediately. **Seek medical attention.**

Eye Contact: Remove contact lenses. Flush with water for at least 15 minutes.

Seek immediate medical attention.

Ingestion: Rinse mouth out with water. Do NOT induce vomiting. **Seek immediate medical attention.**

Precautions

Keep out of reach of children. Wash hands thoroughly after handling. Do not get on clothes or skin. Wear protective gloves and eye protection. General ventilation recommended. Do not mix with strong acids.

Storage

Keep out of reach of children. Lock up and store in a cool, dry area. Keep containers tightly closed. Follow label directions.

In Case of Fire

Use appropriate media for surrounding fire. Wear NIOSH approved Self Contained Breathing Apparatus with a full face piece operated in a positive pressure demand mode with full body protective clothing when fighting fires.

Disposal

Dispose of in accordance with federal, state, and local regulations. Do not reuse container and recycle or place in trash collection. This product is biodegradable.
